Our Health Is Not Their Wealth

**MARCH AND RALLY
"OUR HEALTH, IS NOT THEIR
WEALTH."**

**TUESDAY 17 JULY AT 7PM
ASSEMBLE. NEILSTOWN SHOPS.**

On Tuesday July 17th, the people of North Clondalkin and surrounding areas will march to oppose the use of mobile phone masts/ electrical pylons in our area.

We are calling on the Department of Health, to do a immediate survey on the area surrounding the Ronanstown Garda station.

Following reports in the Evening Herald, in relation to the phone mast, it reported ,there had been an unusual amounts of cancer related illnesses and deaths in the station.

After reading the report, the Russell family who live behind the station, there 22 old son Brian, was diagnosed with a brain tumour last year. Is it a coincidence, that Brian and members of the Gardai have been struck down with these illnesses.?

After a public meeting in the Neilstown Community Centre, on the 5th June, MASTACTION CLONDALKIN was formed, to lobby and campaign for the health and well being of our neighbours.

We have collected hundreds of signatures for a petition, calling on the authorities to investigate our concerns. We are appealing to everybody to join us on this march.

Through people power and solidarity we can send a message to the Government, that "OUR HEALTH, IS NOT YOUR WEALTH"

we appeal to all residents, to join us on this important issue. Bring your family, friends, neighbours and workmates. Banners and flags are very welcome. UNITY WE STAND.
